

TRAIN YOUR SUPER SENSES

SCIENCE+ MEDIA MUSEUM

1. Tear across the dotted line.
2. With the pink and blue side face up, fold each corner to the white dot in the middle.
3. Turn over and fold each corner to the middle again.
4. Turn over again. Fold and unfold in half in both directions, then push upwards to make an umbrella-like shape.
5. Put your thumbs and index fingers into the four pockets and get someone to pick a number from one of the corners. Pinch and push the corners as you spell the word or count to the number.
6. Chose a sense and lift the flap to find your challenge.

TOUCH

BE A TOUCH EXPERT
Touch lots of different textures every day. Run your hand over railings, trees, water and through your hair and think about how they feel different.

TEST YOUR TOUCH
Ask someone to hold some pencils against your back. Can you tell how many there are?

SMELL

SMELL BETTER
Close your eyes and ask a friend to hold out some food. Can you tell what it is just by smelling?

SMELL

QUICK SNIFFS
When you want to smell something, take short sniffs instead of long ones. This takes the aroma to the smell sensors in your nose instead of all the way back in your throat.

SMELL

SMELL

SECRET SOUNDS
Stand with your eyes closed and count how many different sounds you can hear. Try it in different places, like your living room, a park and a shopping centre.

TOUCH

BE A TASTE ADVENTURER
Try three new foods to improve your taste knowledge.

TASTE

TURN OFF YOUR TASTE BUDS
Try eating while pinching your nose. Can you still taste your food?

TASTE

SMELL

DIRECTIONAL HEARING
Stand still with your eyes closed. Ask a friend to move to another part of the room, silently, before saying your name. Can you tell where they are?
